

## CENTRAL GARDEN:

The luxurious condominiums enclose 20 acres of central green landscape that is an oasis of tranquillity and calm, adorned with exquisitely manicured gardens and spectacular water features.

## THE TREAT:

Central Park Resorts has no vehicular movement on the surface. To maintain the purity of air and preserve the beauty of its tranquil greenery, a state-of-the-art underground tunnel, called The Treat, connects directly to the lobbies of each residential tower.

## CLUB HOUSE:

The 55,000 sq. ft. Club House features an ultra-modern gymnasium, bowling alley, all-weather swimming pool, a full service spa and many more amenities to help you spoil yourself.

## OPEN CAFÉS:

Indulge your refined palate at open cafés around the fountain that offer a selection of international cuisines prepared by chefs of global repute.

## GAZEBO AND FOUNTAIN:

Polished with tones that harmonize with the landscape, the Victorian-style gazebos, with its stately columns and hooded roof, invite you to a sanctuary of calm nestled in the greens.
