

Because four walls don't make a house.

Presenting 'The Room'- fully maintained apartments.

Pack your bags and move into the lap of luxury. It's just that simple because when you move into the ultra-modern studio/1BHK apartments, you'll find everything that you ever needed. Fall in love with a fully equipped kitchen and top notch electrical appliances. But don't fret if you don't feel like cooking because your apartment has a service floor with a concierge service to take care of your every need. Still, just to make sure that you do step out of the house, The Room also has a state-of-the-art fitness centre, an exclusive club with a spa, an all-weather temperature controlled swimming pool and a business centre. **So, walk in and feel right at home.**
